I've owned my 2011 Ford Expedition since March of 2012. It is spacious and comfortable for sure. It has adequate power for it's size, and given it's size and weight the 15mpg average is to be expected. You feel on top of the road when driving it compared to other smaller suvs.

2011 Ford Expedition
Extremely reliable, lots of space, which is great for families. The expedition is very large, solid, and sturdy making me feel safe when I drive. For a large SUV the expedition has great city and highway mileage.
