A Defense Of Abortion Judith

"A Defense of Abortion" is a moral philosophy paper by Judith Jarvis Thomson first published in Philosophy & Public Affairs in 1971. Granting for the sake of argument that the fetus has a right to life, Thomson uses thought experiments to argue that the fetus's right to life does not trump the pregnant woman's right to have jurisdiction over her body, and that induced abortion is therefore not morally impermissible. Her argument has many critics on both sides of the abortion debate, yet continue

Abortion

A Defense Of Abortion Summary. In "A Defense of Abortion" by Judith Jarvis Thompson, Thompson works to argue that even if a human fetus is considered a person, abortion is still often morally permissible. This paper will work to explain Thompson's positions on the different accounts of the right to life, and to provide an evaluation of them and explain why they are not plausible, specifically regarding three of the analogies on-which she based her entire argument: the violinist, the ...
