### A History Of The County

English county histories, in other words historical and topographical works concerned with individual ancient counties of England, were produced by antiquarians from the late 16th century onwards. The content was variable: most focused on recording the ownership of estates and the descent of lordships of manors, thus the genealogies of county families, heraldry and other antiquarian material; In the introduction to one typical early work of this style, The Antiquities of Warwickshire published i

Sudan, country located in northeastern Africa. The name Sudan derives from the Arabic expression bilād al-sūdān ("land of the blacks"), by which medieval Arab geographers referred to the settled African countries that began at the southern edge of the Sahara. For more than a century, Sudan—first as a colonial holding, then as an independent country—included its neighbour South Sudan ...
