Here's some education for you as you search for teaching jobs. Despite the fact that resume objectives are being seen as obsolete—the career summary is more common nowadays—you can use the language of objectives in your teacher's resume. A teaching resume objective would concisely state who you are, the value you bring to the position, and any experience and skills you have.

Objectives of Business Education Programs | Study.com

Economics is the study of how consumers, firms and governments make decisions that together determine how resources are allocated. An appreciation of economics and the general workings of the economy have become increasingly necessary to understand government policy-making, the conduct of businesses, and the enormous changes in economic systems which are occurring throughout the world.

Economics and Management | University of Oxford

The objectives of teaching must include connecting textbook ideas, concepts and theories to everyday life. Students should take more away from your class than simple facts and statistics; they should be able to apply what they have learned. To do this, add a variety of methods to your teaching style.

Objectives of Teaching in the Classroom | Synonym

The Different Objectives of University and College Education Almost one third of North Americans have acquired university degrees, and many more have some other kind of college qualification. This is within the range of normal expectation, and it compares favorably with the statistics of other nations in the western world.
