Contemporary literature gives readers a look at progressive writing styles that often reflect the world in which the works were written. Although often reserved for English or writing courses, recent novels can also be used in secondary social studies classrooms to teach about current events, political themes, economics, sociology, or even history.

By teaching students essential medial literacy skills, social studies teachers prepare students to navigate the demands of contemporary civic life. According to the NCSS position statement, media literacy is integrated into social studies education as a body of “essential skills for active citizenship in our democracy” (Hodgin & Kahne, 2016, p. 183).
