Furniture, a concise history | Open Library

This book tells the story of humankind as producers and reproducers from the Paleolithic to the present. Renowned social and cultural historian Merry Wiesner-Hanks brings a new perspective to world history by examining social and cultural developments across the globe, including families and kin groups, social and gender hierarchies, sexuality, race and ethnicity, labor, r

A Concise History of the World by Merry E. Wiesner-Hanks

When we asked the design world about examples of cool furniture, the infamous Eames chairs were a popular choice. Created by Charles and Ray Eames, pieces such as the above lounge chair and ottoman have become recognised as classic, timeless designs, still as comfortable and sought after as when they first appeared back in 1956. 12.

33 inspirational examples of furniture design | Creative Blog

A single-colume history of the modern world is bound to be concise, and when it takes the modern world's start as 1500 it makes it even trickier to avoid just skating over the surface. The huge value of this book is that it looks at history at the global level, whereas we are accustomed to considering say European or English or American history ...
