Programme evaluation is the primary means of ensuring that schools are meeting the IB programme standards and practices. This process can also serve as a catalyst for school improvement.

Guide to programme evaluation - Ponce De Leon Middle School

Project evaluation is a systematic and objective assessment of an ongoing or completed project.1The aim is to determine the relevance and level of achievement of project objectives, development effectiveness, efficiency, impact and sustainability.

7. PROJECT EVALUATION

A project evaluation is usually done for any project that has already been executed by the company's project manager. A project report is made based on the data collected while the project was ongoing and its success rate. However, to create a project evaluation report from scratch, at times, we require a bit of guidance.
