Inspiring Dialogue Talking To Learn

Inspiring Dialogue helps new English teachers make dialogic teaching practices a central part of their development as teachers, while also supporting veteran teachers who would like new ideas for inspiring talk in their classrooms. Chapter by chapter, the book follows novice teachers as they build a repertoire of practices for planning for, carrying out, and assessing their efforts at dialogic teaching across the secondary English curriculum.

“And that’s the best part about our country is we are free to express ourselves, and everybody’s entitled to their opinion. I think the biggest reason for me [to kneel] was to start conversation about just being open to learning and to experience new experiences and hearing things from a different perspective.” He has been open to learning.

Why Mike Yastrzemski is kneeling for national anthem | KNBR-AF

The only dialogue you’re having is with yourself to get better. RM: Skateboarding is tied to the street. It’s dirty and gritty. There isn’t this idea of entrepreneurship that you can take this art form or sport and turn it into like a career, and seeing Spike [Jonze] do that was inspiring. It created a new path. TM: It woke me up to ...
