Kevin Shillington History Of Africa

Kevin Shillington traces the history of the continent through the ancient world to medieval, modern and contemporary Africa. He explores the early emergence of farming; the kingdoms of Ancient Egypt, Aksum and Meroe; medieval empires; the spread and impact of Islam; the role of trade and religion; and the development of Africa's wide range of pastoral, agricultural and hunting societies.

History of Africa - Kevin Shillington - Google Books

Shillington's History of Africa remains as relevant as ever. Starting with the origins of humankind and authoritatively guiding readers to the present day, this is a superb account of a vast story, tenaciously placing Africa's peoples at its centre. – Dr Wayne Dooling, SOAS, University of London, UK The standard textbook on the subject.

Amazon.com: History of Africa (9781137504036): Shillington ...

Kevin Shillington The study of African history came of age in the 1960s, coinciding with the emergence of many newly-independent modern African states. Professional historians working in the universities and archives of Africa, Europe and north America have over the past thirty years, produced millions of words and hundreds of volumes on various aspects of the history of Africa.

History of Africa | Kevin Shillington | download

Shillington's "History of Africa" serves its purpose; namely, an introduction and historical survey of the history of Africa from ancient to modern time. The historical accuracy of the text - especially concerning the time before the bronze age - is seriously dubious, and moot at best.

Shillington acknowledges humanity's African origins, but considers the early folks were probably brown (not the de rigueur black); that ironworking was probably introduced via the Maghrib (rather than diffusing from black Meroe); considers Napata and Meroe to have been civilized from Egypt (rather than the other way around); and does not insist that the ancient Egyptians were all dark Africoids.

History of Africa by Kevin Shillington

(PDF) History of Africa by Kevin Shillington | Mari ...

Kevin Shillington's organization and structure serve well the one semester survey course in African history. There are 29 chapters from pre-history to post-independence Africa. The maps are excellent - the best I have seen. The book does not get bogged down into too much detail but has the most important concepts, people and events.
