'bias toward an abstracted, idealized, non-varying spoken language that is imposed and maintained by dominant institutions'. The author points out that such thing as a homogenous language or national standard is impossible since everyone speaks one dialect or the other.

Standard Language Ideology

Access Free Language

Language ideologies are this collective order, that is, the beliefs and attitudes that shape speakers' relationships to their own and others' languages, mediating between the social practice of language and the socioeconomic and political structures within which it occurs.

Language Ideology Revisited - Items

Language ideologies

Access Free Language Ideology And Point Of View

are conceptualizations about languages, speakers, and discursive practices. Like other kinds of ideologies, language ideologies are pervaded with political and moral interests and are shaped in a cultural setting. To study language ideologies, then, is to explore the nexus of language, culture, and politics.
