Leading Change

The 8-Step Process for Leading Change was cultivated from over four decades of Dr. Kotter's observations of countless leaders and organizations as they were trying to transform or execute their strategies. He identified and extracted the success factors and combined them into a methodology, the award-winning 8-Step Process for Leading Change.

The 8-Step Process for Leading Change | Dr. John Kotter

"Leading change requires vision. It is proactive instead of reactive. I knew a company vice president who was fond of saying, "You can lead change or be changed." By leading change, you can empower yourself and your organization in ways that might not have seemed possible. You can often control your own destiny and that of your group.
