Managing Human Resources - Susan Jackson, Randall Schuler ...

Managing human resources refers to the functions that a manager performs relative to the organization's employees. Managing Human Resources can also refer to the act of providing the management actions the employees of the Human Resource Department

What Does Managing Human Resources Mean?

Some industry commentators call the function of Human Resources the last bastion of bureaucracy. Traditionally, the role of the Human Resource professional in many organizations has been to serve as the systematizing, policing arm of executive management.
