Motorola F3 Cell Phone Service manual PDF View/Download

The F3 is a decent backup phone but there are many sacrifices you will have to endure if you are already used to a phone with many features and capabilities. For me the most basic is call history which isn't difficult to access on the F3, it's just completely unreliable. Texting is very limited, to about 8 characters at a time on the screen.

Motorola MOTOFONE F3 - Black (Unlocked) Cellular Phone for ...

User interface Since the F3 had only two lines of fixed icons on the top and bottom of the display, as well as one line of six 14-segment characters and another line of six 7-segment numbers available on its display, the user interface was very different from the usual menu structure normally found on mobile phones.
