The Changing Character of War Centre (CCW) is an Interdisciplinary research centre for the study of change in armed conflict. We are part of the University of Oxford, based at Pembroke College and the Department of Politics and International Relations. In addition to research projects, we offer bespoke policy advice.

The Changing Character of War Centre

Oxford is one of the world's great universities but this has not meant that it is exempt from pressures for change. On various fronts it has been required to meet the challenges that universities almost worldwide have to face. Given the retrenchment of public funding, especially to support undergraduate teaching, it has been required to augment its financial base, while at the same time deciding how to respond to pressure from successive governments determined to use higher education to ...

Social Construction, International Law and U.S. Bombing, appeared with Cambridge University Press as part of the series Cambridge Studies in International Relations, in 2015. The book proposes a constructivist theory of international law and highlights tensions between a legal and a moral definition of a legitimate target of attack.
