These are some of our favorite free e-reader apps: Kindle Ereader App: This app lets you read Kindle books on all your devices, whether you use Android, iOS, Windows, Mac, BlackBerry, etc. A big advantage of the Kindle reading app is that you can download it on several different devices and it will sync up with one another, saving the page you're on across all your devices.

Race In The 21st Century

In contrast with many texts, Race in the 21st Century focuses not on essential differences between racial or ethnic groups, but rather on the commonalities. Hartigan concentrates on the particular contexts in which people actively engage and respond to racial meanings and identities.

Race in the 21st Century: Ethnographic Approaches ...

In Race in the 21st Century: Ethnographic Approaches, Second Edition, John Hartigan, Jr., takes an anthropological look at such questions by introducing students to the study of race through qualitative methods. In the first text to take an explicitly ethnographic approach, Hartigan summarizes and explains the current state of social science knowledge on race in the U.S., motivating students to think through essential questions about race in relation to their own lives.

Race in the 21st Century - Paperback - John Hartigan, Jr ...

From the foundation of the nation in the eighteenth century and the creation of the Constitution, race has played a role in shaping the country, as well as developing it. Last Wednesday, the Center for American Progress held an in-depth discussion titled, The Meaning of Race in a 21st Century America.

Redefining Racism In the 21st Century 11/06/2015 03:40 pm ET Updated Nov 06, 2016 Sixty years after the civil rights movement, it is clear that outlawing explicit racial discrimination has not closed most racial divides in our country. Terrible disparities continue in almost every arena of life.

Redefining Racism In the 21st Century | HuffPost

'The problem of the twentieth century is the problem of the color-line,' W. E. B. Du Bois wrote in 1903, and his words have proven sadly prophetic. As we enter the twenty-first century, the problem remains -- and yet it, and the line that defines it, have shifted in subtle but significant ways. This brief book speaks powerfully to the question of how the circumstances of race and racism have ...
