Basic Arabic Words. UAE is an Arabic country. However, it is very sad to notice that most of the majority of expatriates living here do not know how to converse in basic Arabic. In one way it can be viewed as a tolerance of the UAE and its rulers to allow foreign language to be dominant and on the other hand it can be viewed as lack of interest from expatriates.

The Lebanese language, in its current form, is only a spoken language. Despite the common misconception that Lebanese is a form of the Arabic language, the Lebanese language has evolved from its original Aramaic form to a language highly differentiated from the Arabic language. Lebanese people have adopted Arabic as their written language.
