Fichera is an exception. He is particularly alive to the deep preoccupation of the European project with matters of security and rights, and has produced an account that is as complex and subtle as it is accessible and compelling.' – Neil Walker, The University of Edinburgh, UK The Foundations of the EU as a Polity

The Foundations of the EU as a Polity

Over time, the EU legal system evolved in an autonomous legal system or a *lex specialis*, separate from international law. The argument of autonomy has served as a basis of hierarchy/superiority of the EU law over national law. This has led to a constitutional basis in national law of the Member states.

The final dimension of security—reflexive or semantic—is examined in the last chapter. What does it mean to be secure for the EU polity? And why should we view the EU not only as a legal system/legal order, but also as a transnational polity? The main argument is that security and crisis should be viewed as strictly interrelated and that the multiple crises should be examined together in ...
