The Verizon phone techs weren't having any luck pushing the activations. But they would eventually activate. And we were told that there were MANY activation attempts going on at the time. Verizon, you are better than this. I'd expect this out of AT&T. We wait months for the phone and now this....Make it happen!

Correct Answer: Activation - Verizon Community

I just received my new iphone 4s in the mail from Verizon. The literature that came with it says to read the activation guide but there is no guide in the box. If it is on line where do I go to find it. Or can someone walk me through setting the phone up?
